

## 80s reunion

We are having a reunion in A2 on Sept 11-13 weekend (vs Ball State). This time, the plan is to get together without a tragedy, memorial service or funeral. Plenty of time to plan ahead, and we are expecting a big crew across the years when we were all in A2. There will be a golf outing on Friday for those with interest, tailgate and game on Saturday, and outings on Fri/Sat nights. We will be getting a block of tickets so we can all sit together, but accommodations are your own responsibility. Some guys may get VRBOs, as we have done in the past. More to come in the future, but in the meantime, mark your calendars, forward this note on to anyone you are in still in touch with from 707 (copy me so I get their current addresses), and plan to hold your annual A2 get-togethers on the same weekend. Looking forward to seeing you all in the fall. Let us know if you have any questions.
