Alpha Phiji Phlier

The Alpha Phiji Phlier (also called Ephlier) is a feature that has been a mainstay of our communications with our Michigan Fiji Brotherhood. It is inspired by the true benefit we received from re-installing our chapter at 707 Oxford. The diverse group of brothers that spearheaded the revival of the chapter will cherish the friendships that we have developed because of this “task” that threw us together. We hope that this communication can be a vehicle to inspire you to reconnect with your Fiji Brothers. It will help you remember that our fraternal ties are not for college days alone.

We have chosen email as a timely, and economical, format. **The best way to send you future Ephliers is to add your name to our email list now.** Just send your email address to me at fjiman@metalmasters.com

If you do not wish to receive this, or would like to use a different email address, please click [here](#) effect the change.

We have been sending Ephliers since March 2005. Look below to see any issues you may have missed. You can view any past issues by clicking on your choice below.

You can reconnect with your own classmates

Our database has phone numbers, addresses, and a lot of email addresses for our 1650 living grads around the world. You can look up your classmates by name, or class, or even see who may be living near your area. Just click, <http://www.phigams.org> to reach our database, and scroll down to “Online database of Brothers”. To sign in, remember our favorite Pacific island, and the one-and-only, wildcat. Once you sign in on the directory, use the dropdown to select what you want (name, class, etc) to look up. You can get back with [me](#) if you have any trouble using our directory.

Be sure to send me your stories, or any new info (especially email address) your visit might have inspired.
