## Plans for Dinner

Not only will we enjoy the inciteful comments by our own Orlando Cabrera '84, but we will get the latest update on Undergrad activities, and some special awards.

Most important will be reconnecting with the pals you made during your time at Michigan.

Don't forget we will have Brunch at the house before you go to the Wolverine State Brewing Company to watch the game on Saturday.

## Time to sign up!

You will not lose your Guy Card if you sign up now. Early has passed. No shame there.

Simple things like food, tables, chairs and watch party plans, depend on attendance. So, please sign up now, so we can plan... **Signup now.** <https://phigams.org/pig-dinner-2023/>

## Get your closest Brothers to come.

You have classmates that you haven't seen for 25 years (more or less). Why not give them a call and make sure they are coming? Our new website (thank you Aaron Ellis) makes it easy for you to connect, using the best info we have. Go to [Phigams](http://Phigams), and click on Database of Brothers. You can enter the class year and press search.

You'll get a list of the Brothers for that year, and the best info to contact them. Go ahead. Give them a call, or email. They'd love to hear from you. Then make plans to see each other at Pig this year. If you can correct any bad info, please share it with me. [fijiman@metalmasters.com](mailto:fijiman@metalmasters.com)
